IRON MAN

Iron Man is a 2008 American superhero film based on the Marvel Comics character of the same name. Produced by Marvel Studios and distributed by Paramount Pictures, it is the first film in the Marvel Cinematic Universe (MCU).

IRON MAN

IRON MAN

- Tony Stark, the man behind Iron Man is a genius inventor and billionaire who uses various suits of armor with cutting edge technology to help others and fight crime.
- He is the adopted son of Howard Stark, and inherited his father's company at a young age after his parents passed away.
- While overseeing a manufacturing plant in Siancong, he was captured by local terrorists. Their leader, Wong-Chu demanded Tony to create weapons for them in exchange for a life saving operation.
- What appeared to be compliance was actually buying him time to create a suit of armor that would allow him to escape

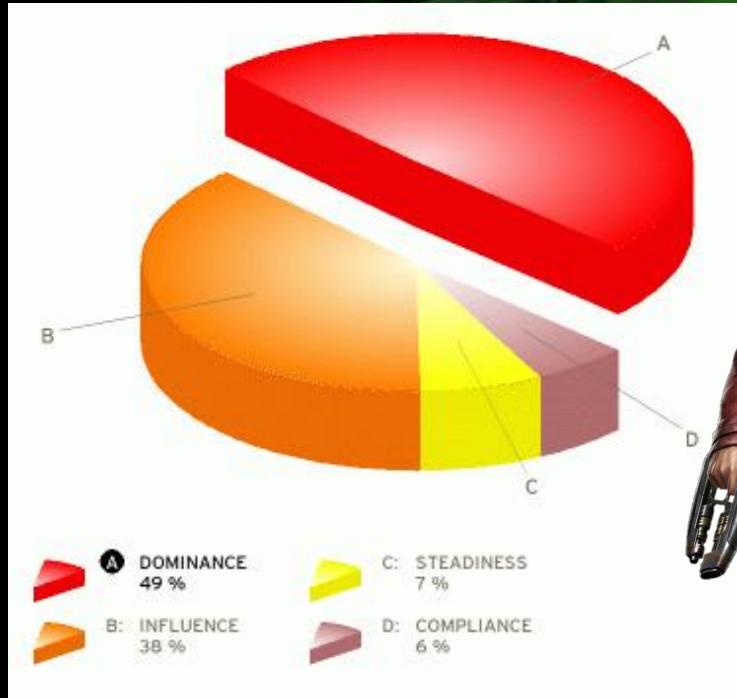

GUARDIANS OF THE GALAXY

The Guardians of the Galaxy are a band of loners and rebels who come together to break out of a Zandarian prison. Along the way, they become a family of intergalactic heroes that proactively protect the galaxy despite having little in common.

They play off each others strengths, and their diverse backgrounds are valuable as they lead to a more successful and innovative team.

PETER QUILL

GUARDIANS OF THE GALAXY

Otherwise known as Star-Lord, Peter Quill is an orphan that was abducted by aliens at a young age. He was a scavenger and petty crook.

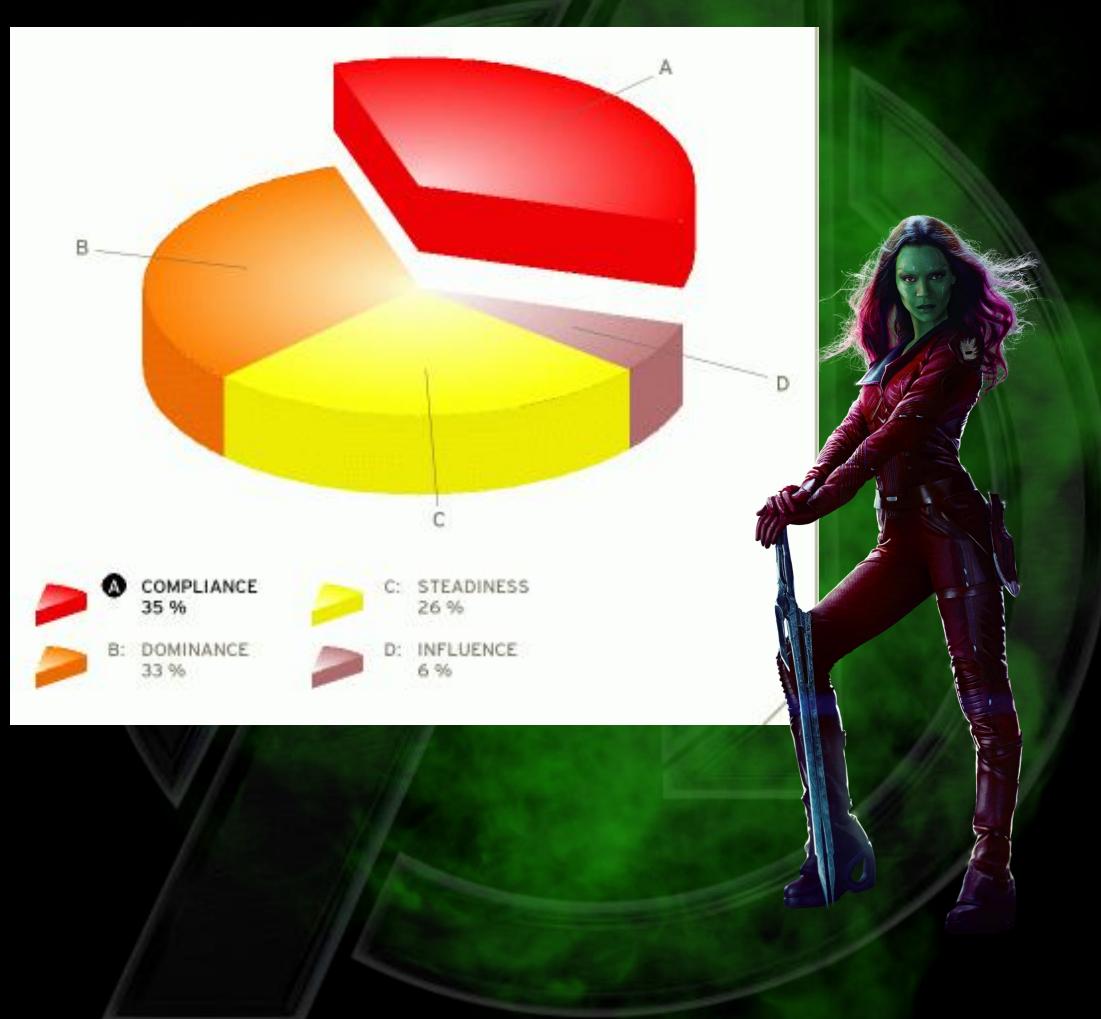

Dominance (very high):

- Strong willed: uses alternate methods of distraction (singing) to distract/destroy Ronan
- Extroverted: despite being the reason they ended up in prison, he manages to become the unofficial leader of the Guardians

Influence (high):

- Charismatic: has a way with the ladies; was able to convince a prisoner to give up his metal prosthetic leg
- Emotional: His feelings for Gamora led him to risk his life to save her by giving her his mask so she could breathe instead

GAMORA

GUARDIANS OF THE GALAXY

The favorite of Thanos' adopted daughters, she was forcibly stolen from her home planet and raised as an assassin.

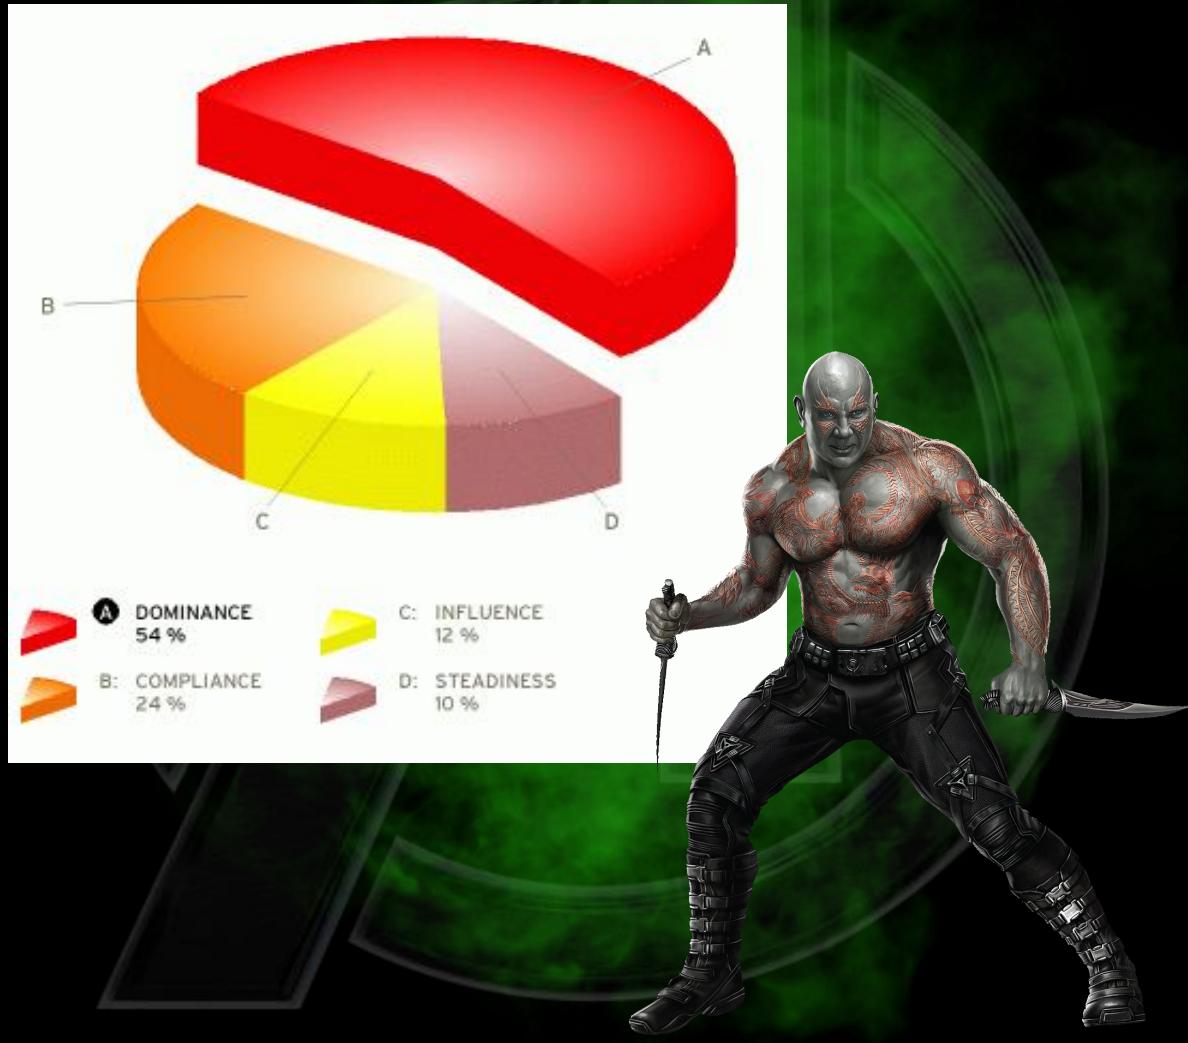

Compliance (high)

- Cautious: i.e. in GOTG2, she was reserved when the guardians were with Ego, careful not to trust the soon-to-be-outed villain
- Calculated: she elected to retrieve the orb for Ronan knowing she'd betray him for a chance to save the universe
- Task Focused: with her background as an assassin, she has a reserved and calm demeanor

Steadiness (high)

- Loyal: supports Peter and takes his hand when he's holding the stone knowing it'll cause her pain

DRAX THE DESTROYER

GUARDIANS OF THE GALAXY

Drax the Destroyers is a former Kylosian prisoner whose family was murdered by Ronan.

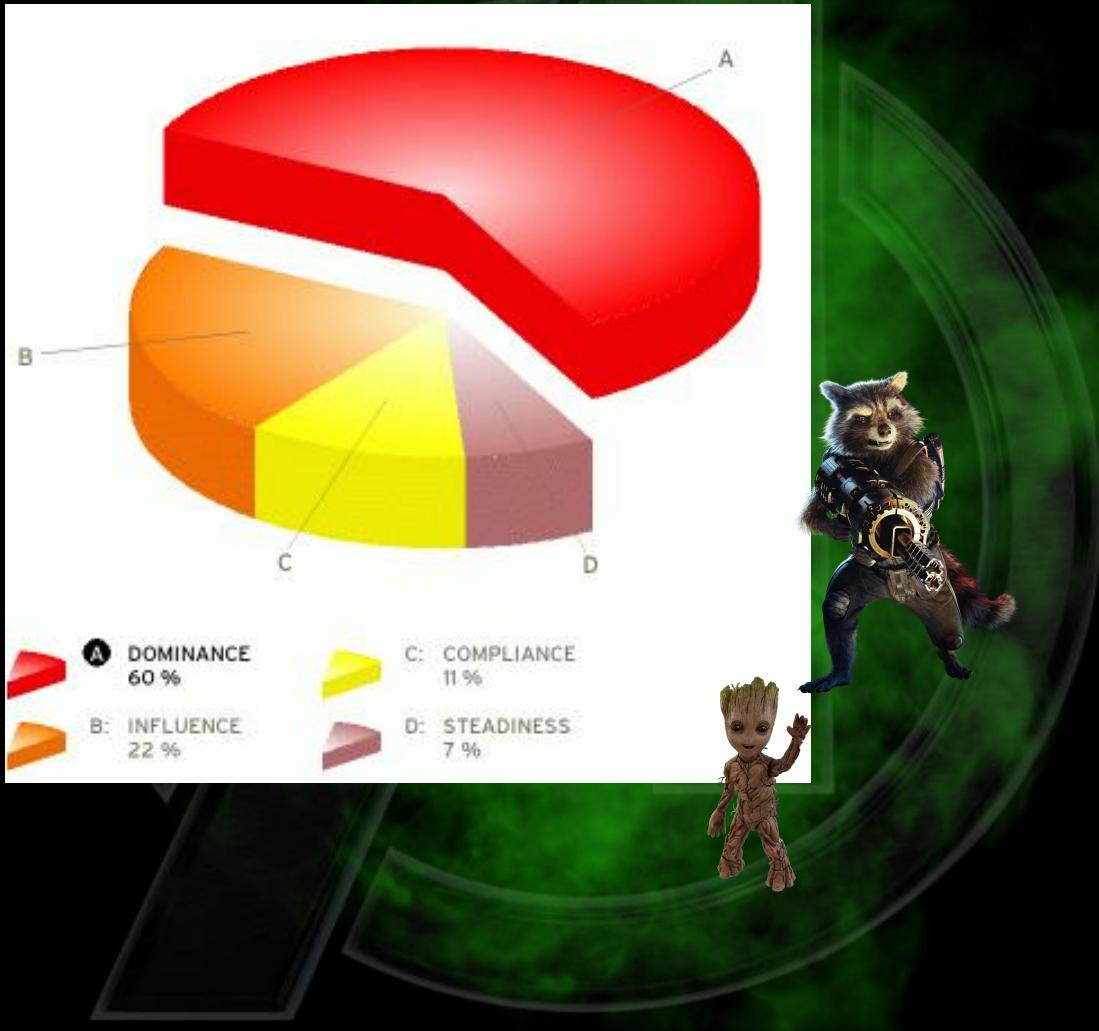

Dominance (high)

- Task-oriented: is set on avenging his family's deaths

Steadiness (low) + Influence (low)

- Very Impulsive: after the death of his family he went on a killing rampage which is how he got the nickname "Drax the Destroyer"

ROCKET + GROOT

GUARDIANS OF THE GALAXY

Rocket is a genetically modified racoon, and his associate, Groot, is a tree-like humanoid.

Dominance (very high)

- Efficient: Rocket is able to create a make-shift spaceship to escape from prison
- Forceful/Result Oriented: straight shooting, took steering power from Peter to led guardians away from the Sovereign fleet

Steadiness (low)

- Impulsive: Groot grabs the battery for the make-shift spaceship before the plan was finalized causing a scramble
